

# OUR WHY

Even as we celebrate the 50<sup>th</sup> anniversary of Title 9, the rights of female athletes are still being challenged, women in the workforce are still facing a glaring pay gap to their male counterparts, and protections for women's rights in general are being denied at a federal level. In response to these regressive circumstances, ASAP Elite is organizing and hosting "Shattering the Glass Ceiling", an event in support of women and specifically programmed for young women.

As panelists share their diverse experiences, attendees will gain insight on how to develop their own blueprint to shatter the proverbial "glass ceiling" and leverage their position in male-dominated fields. They will also get an understanding of the systemic injustices they are likely to face as women and women of color and encouragement in overcoming them.

We believe this event will create an inspirational atmosphere that encourages attendees to pursue careers in STEM, entrepreneurship and leadership.
